SINGLES. This week we see the first ever track to chart in the ARIA Singles Chart based purely on digital sales without an accompanying physical single release. *Apologize* by Timbaland will go down in history to be the very track to do so and it comes in at No.10 this week. Timbaland also holds the fort for another week at No.1 with *The Way I Are*. The Veronicas move up a spot to No.4 with *Hook Me Up*. Meanwhile, Santana jumps two places to position *Into The Night* at No.6 and Kanye West's *Stronger* remains stationed at No.9 for another week.

No.10 APOLOGIZE – Timbaland Feat. OneRepublic. Hip-hop juggernaut, Timbaland is setting the ARIA Singles Chart alight this week with the release of the fourth track off his current album, *Timbaland Presents: Shock Value* (No.10 Oct. '07). Timbaland has a total of four tracks in the singles chart at the moment, including this week's debut, *Apologize* which features Colorado rock band OneRepublic. The other singles are - *The Way I Are* which is at No.1, *Give It To Me* at No.49 and *Throw It On Me* at No.97

No.30 SNAKESKIN – Gyroscope. Forming in 1997 in Perth, Gyroscope consists of Daniel Sanders, Brad Campbell, Zoran Trivic and Rob Nassif. The band made their ARIA Singles chart debut in 2004 with the release of *Safe Forever*. The single peaked at No.65 in March that year. The next single from the band was *Fast Girl / Beware Wolf* and that peaked at No.43 in March 2006. Gyroscope has toured with Dashboard Confessional and Blink 182 and has graced the stages of Big Day Out and Homebake. *Snakeskin* is Gyroscope's highest charting single to date.

No.37 NO ONE – Alicia Keys. After a four year hiatus to pursue side projects, twenty-seven year old Alicia Keys graces our charts once more. The multi-talented Keys made her first mark on the ARIA Singles Chart with the single, *Fallin'* (No.7 Nov. '01), which was followed up by three more Top 40 singles – *A Woman's Worth* (No.16 Apr. '02), *How Come You Don't Call Me* (#29 July '02) and *Girlfriend* (No.13 Feb. '03). *No One* is the first track to be lifted from Keys' forthcoming album, *As I Am*.

No.40 GET WHAT YOU WANT – Operator Please. Just when you thought it was *Just A Song About Ping Pong* (No.12 Aug. '07), now you can *Get What You Want*, literally – as Operator Please release their second single. Taking out the Best Breakthrough Artist for a single at this year's ARIA Awards, Operator Please band members Amandah Wilkinson, Tim Commandeur, Sarah Gardiner, Ashley McConnell and Taylor Henderson also got to grace the stage that night performing their winning track, *Just A Song About Ping Pong*.

No.51 SOFT NOVEMBER – Angelas Dish. Central Coast rockers, Angelas Dish make their second appearance on the ARIA Singles Chart this week. Their first appearance came courtesy of *My Body Is An Ashtray*, which peaked at No.94 in July 2006. Angelas Dish have been touring constantly for the past three years and have played alongside fellow Aussie rockers – Kisschasy, Something With Numbers, The Butterfly Effect and this week's No.30 place holders, Gyroscope.

No.52 BULLET AND A TARGET – Bliss N Eso Feat. Connections Zulu Choir. ARIA Award nominees, Bliss N Eso have been friends since high school and both have a common love for anything and everything hip-hop! The trio which comprises of MC Bliss, MC Eso and DJ Izm embarked on an extraordinary trip to South Africa earlier this year, with MTV filming their journey for the Schools 4 Schools project. The project links schools in Australia with schools in South Africa. While on the trip Bliss N Eso was so inspired to make a track – and *Bullet And A Target* was the outcome. 100% of the profits made of the sale of the single will go to the Schools 4 Schools Project.

No.54 SORRY – Small Mercies. Hailing from Brisbane, Small Mercies formed in 2000. The band consists of Marty O'Brien - drums, Steve Blaik - vocals, Simon O'Connor - guitar, Danny Procopis - guitar and Shaun Spooner - bass. Small Mercies made their ARIA Single Chart debut earlier this year with *Innocent*, which peaked at No. 38. Blaik and Procopis cite Steve Tyler of Aerosmith, Bono of U2 and Adam Duritz of Counting Crows as inspirations for their song writing.

No.59 OPEN YOUR EYES – Snow Patrol. Five piece all-rock band Snow Patrol have two debuts this week, first up is *Open Your Eyes* and at No.80 is *Chasing Cars*. Both singles are lifted from Snow Patrol's former No.1, quadruple platinum album *Eyes Open*. Snow Patrol was recently on our shores for a national sold out tour. The band is set to go on hiatus after touring for the past few years, but lead singer Gary Lightbody will be releasing a solo album in the interim.

No.60 REHAB – Amy Winehouse. After fourteen weeks in the ARIA Digital Track Chart, Amy Winehouse graces the ARIA Singles Chart for the first time because of the new chart rules that have been implemented as of this week. Winehouse has been making waves all over the world with the release of her ground breaking album, *Back To Black* (No.14 Sep. '07) which *Rehab* is lifted from.

No.66 THIS HEART ATTACK – Faker. Sydney based band Faker formed in 1996, but made their break for the ARIA Singles Chart in May 2005 with *The Familiar / Enough*, which peaked at No.62. This was shortly followed by *Hurricane* which peaked at No.65 in October that year. Faker consists of Nathan Hudson, Paul Berryman, Stefan Gregory and Nicholas Munnings and they have played major festivals – Big Day Out and Falls Festival, as well as opening for The Grates on their 2006 tour.

No.67 1234 – Feist. Canadian singer – songwriter Leslie Feist usually goes by just her surname. Making her debut this week to the ARIA Single Chart, Feist comes from a creative background, her father was a painter, her mother specialized in ceramics and her brother is a software engineer. The track *1234* is featured in the Ipod Nano commercials, giving Feist a boost to her popularity.

No.68 CHAMPAGNE TASTE – CC Martini. CC Martini aka Caitlin Whitty is an Australian singer – songwriter and also makes her debut this week to the ARIA Singles Chart. Martini was discovered at an Australian record label's Christmas party three years ago. The label decided to sign her up but Martini took another offer that was given to her and the result for fans is *Champagne Taste*.

No.69 YOU CAN'T STOP THE BEAT – Amanda Bynes, Elijah Kelley, John Travolta, Nikki Blonsky, Queen Latifah and Zac Efron. Lifted from the top selling soundtrack, *Hairspray*, *You Can't Stop The Beat* is sung by the movie's stars. The 2007 movie is adapted from the John Waters' 1988 film that starred Ricki Lake, Sonny Bono and Debbie Harry. The current *Hairspray* Soundtrack peaked at No.5 earlier this year.

No.71 HATE THAT I LOVE YOU – Rhianna Feat. Ne-Yo. Caribbean princess Rihanna teams-up with R&B heartthrob Ne-Yo for her new single. This track is the third to be lifted from Rihanna's current album, *Good Girl Gone Bad* (No.5 June '07). *Hate That I Love You* follows, *Umbrella* – which spent six consecutive weeks at No.1 earlier this year and has been certified platinum and her current hit, *Shut Up And Drive* (No.4 Sep. '07).

No.80 CHASING CARS – Snow Patrol. This track had no physical release here in Australia but *Chasing Cars* sent fans in a flurry. *Chasing Cars* dominated the ARIA Digital track Chart for weeks and now gets its first glimpse of the ARIA Single Chart this week.

No.82 HARDER, BETTER, FASTER, STRONGER (ALIVE 2007) – Daft Punk. Electronic music pioneers get a second chance at hitting the ARIA Top 100 Singles Chart with an updated version of their 2001 release of the same title. *Harder, Better, Faster, Stronger* failed to make an impact upon its original release, but with electronic music dominating the airwaves of late, as well as Kanye West's use of the track, *Harder, Better, Faster, Stronger* sees inside the Top 100 this time round.

No.91 FABULOUS – The Cast Of High School Musical. Lifted from *The High School Musical 2 Soundtrack*, *Fabulous* follows the footsteps of *What Time Is It?* which peaked at No.20 in September this year. The movie has been released in over twenty different countries and has broken viewer records across the USA. The movie stars Zac Efron, Vanessa Hudgens and Ashley Tisdale.

ALBUMS. Our top 10 have received a bit of a shake-up this week, with a number of artists from The 2007 ARIA awards returning to the list. No.1 is a brand new album from The Eagles – *Long Road Out of Eden*, which moved *Delta* from the top spot to No.2. *Blackout* by Britney Spears comes in at No.3, while No.4 is Matchbox Twenty's *Exile On Mainstream*. No.5 sees Sneaky Sound System's self titled album up a whopping 12 spots from No.17 and another big mover is John Butler Trio's *Grand National* from No.21 to No.6! Blunt's *All The Lost Souls* is at No.7. Lastly, the biggest mover in the top 10 is Silverchair's *Young Modern* from No.48 right up to No.10!

No.1 LONG ROAD OUT OF EDEN – Eagles. This album was six years in the making and is the bands first release of new material since 1979. The current line-up for this album includes Glenn Frey, Don Henley, Joe Walsh and Timothy B. Schmit. Previous albums from The Eagles that have charted well include *The Complete Greatest Hits* (No.17 Dec. '04), *Hell Freezes Over* (No.23 Nov. '94) and *The Very Best Of The Eagles* (No.2 Aug. '94).

No.3 BLACKOUT – Britney Spears. In what has been a very turbulent year for Spears, her new album reaching No.3, as well as the success of the first single *Gimme More* (No.2 Oct. '07), which has already achieved gold status, must be evidence that things are turning back to normal, if at least for her music. This is her sixth top ten album, her previous releases include *Baby One More Time* (No.2 Jul. '99), *Oops I Did It Again* (No.2 May '00) and *Greatest Hits: My Prerogative* (No.4 Nov. '04).

No.17 VIVERE: THE BEST OF ANDREA BOCELLI – Andrea Bocelli. Even as a child Bocelli's voice led him to be a minor celebrity in his home village in rural Tuscany, Italy. Blind since the age of 12, and with concerned parents wanting him to pursue a stable profession, he studied law and was working as an attorney for a short time before he started to follow what would turn out to be a very rewarding music career. When Pavarotti heard a recording of him singing, it is said that he remarked, "he is better than me, I can't do any better." Bocelli's chart history could be mistaken for being that of a very successful contemporary band, instead of an opera singer managing to cross over into the pop world. His albums have included *Romanza* (No.2 Sep. '98), *Viaggio Italiano*, *Sogno* (No.3 May '99), and *Amore* (No.5 Feb. '06).

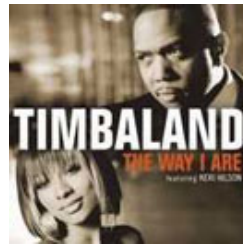

No.19 ELECT THE DEAD – Serj Tankian. Tankian was the lead vocalist for the band System Of A Down who enjoyed success with the albums: *Hypnotize* (No.3 Nov. '05), *Mezmerize* (No.1 May '05) and *Toxicity* (No.6 Jan. '02). System Of A Down has taken an unspecified break to pursue solo adventures. *Elect The Dead* is Tankian's debut solo album. The majority of the instruments on the album Tankian played himself, though he did have a little help from other musicians.

No.26 UNBREAKABLE – Backstreet Boys. The boys are back – minus former member Kevin Richardson. This album is full of new music and the first recording they have done without Richardson. Brian Littrell, Howie Dorough, A.J. McLean and Nick Carter are the four remaining Boys. All five of their previous albums have made the Top 10: *Backstreet Boys* (No.6 Sep. '98), *Backstreet's Back* (No.2 Jan. '98), *Millenium* (No.2 May '99), *Black and Blue* (2 Nov. '00) and *Never Gone* (No.6 Jul. '05).

No.27 V IS FOR VAGINA – Puscifer. Is a side project for Maynard James Keenan of the band Tool. Tracks by Puscifer have been used in the soundtracks for *Underworld*, *Underworld: Evolution* and *Saw II*. As part of the band Tool, Keenan has had a lot of success including three albums in the top 10: *10 000 Days* (No.1 May '06), *Lateralus* (No.1 May '01) and *Aenima* (No.6 Oct. '96).

No.31 STILL ON TOP – THE GREATEST HITS – Van Morrison. This album features hits of Morrison's from 1964 as part of the band Them right through to *Magic Time* (No.15 May '05) released in 2005. Morrison has had a long history of hits and his more recent releases include: *The Best Of Van Morrison* (No.1 Apr. '90), *Too Long In Exile* (No.4 Jul. '93), *A Night In San Francisco* (No.12 Apr. '94), *Days Like This* (No.16 Jul. '95), *The Healing Game* (No.17 Apr. '97), *Back On Top* (No.13 Mar. '99) and *Down The Road* (No.7 Jun. '02)

No.41 CHROME DREAMS II – Neil Young. *Chrome Dreams* was the name of an album that Young decided not to go ahead with in 1977. Of the album, Young has commented, "It's an album with a form based on some of my original recordings, with a large variety of songs, rather than one specific type of song." Some of the songs included on the album were previously recorded in the 80's, though never actually released. Though Young's career spans over 30 years, his albums are still in the high end of the charts – *Unplugged* (No.19 Jul. '93), *Sleeps With Angels* (No.23 Aug. '94), *Mirror Ball* (No.4 Jul. '95) and his *Greatest Hits* album, which reached No.25 in January 2005. A little bit of trivia information you may not have otherwise known, is that Powderfinger got their name from Young's song of the same title!

#1 Single this week

ARIA Top 100 Singles - Week Commencing 5th November 2007
